SELF DEFENSE – EXECUTION DRILLS 16 – 20 ON THE RIGHT SIDE

One-Step Self Defense

16. Middle Punch

Slide 45° to the right, do a left hand Inside-to-Outside single knife hand block and grab the attacker's wrist. Do a right hand inside-to-outside knife hand strike to the neck, and then force the attacker to bend over by raising the arm and pushing down the shoulder. At the same time, do a left leg knee strike to the ribs, and finish with a right elbow strike to the back of the neck, ki-hap. Return to fighting position with ki-hap.

17. Middle Punch

Slide to the right and do a right hand outside-to-inside single knife hand block, right hand inside-to-outside knife hand strike to the neck, left hand middle punch, right hand high punch, right foot midsection round house kick with a ki-hap. Return to fighting position with ki-hap.

18. High Punch Takedown

Step back right foot into front stand. Do a left hand high block, grab the attacker's wrist, and twist the arm out and around in a counter clockwise circle. Do a right hand middle punch, drop to the right knee, and sweep the attacker's right foot with your right hand. Continue hold with left hand and finish with a right hand outside-to-inside knife hand strike to the neck, ki-hap. Return to fighting position with ki-hap.

19. Middle Punch

Do a left foot outside-to-inside crescent kick to the wrist, right foot jumping spin kick, right foot roundhouse kick to the head with a ki-hap. Return to fighting position with ki-hap.

20. Middle Punch Takedown

Slide left 45°. Do a left hand palm-heel thrust to the elbow, and grab the wrist. Then do a right hand ridge hand strike to the throat and sweep the right leg. Finish with the double punch to the head: right, then left, ki-hap.
